### **Reviews**

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

2013. Hardcover. Condition: New. 284 This book was prompted by the double-digit inflationary spiral of last four years whose control has defied every conventional economic measure. Reasons are also crystal clear: Trillions of rupees being spent on budget-supported social programmes to arrest the growing disparity between English-speaking Urban-India and the vast majority living in Rural-Bharat, which our economy cannot support. At the same time, we were also churning out 1 million Engineering B.Techs & half a million MBA s annually deep in the interior of rural India. More than 80% of them end an expensive education without a job, with their parents deep in debt. Could we not groom some of them selectively to become Entrepreneurs and job-creators rather than job-seekers? Can t we harness their talent to setting-up technology-led Manufacturing Industry in their neighbor-hood. Such enterprises would not only create productive life-long employment in rural India, but obviate the need for social doles which only breed corruption, laziness and beggars. It is only an issue of establishing the right eco-system. Author has coupled his 40 years of direct and indirect experience in promoting thousands of young Techno-entrepreneurs in diverse fields with his recent involvement in Higher Technical Education and effort to re-orient it away from rote towards Application. What has emerged in this process is his pioneering concept of sandwiching Technical Education with grooming for Entrepreneurship in the latter-half of education. Consequent overlap of project-gestation with education period constructively uses the low-risk years of his life when he has no personal family to establish his enterprise. Close ties of PTU s Advanced School of TQM & Entrepreneurship with Top Mgts. of over 500 progressive industries in diverse sectors through 8-years of systematic work provide it the strength to organize right Mentors. About The Author:- Fully active at 79, he is...
